

SUPER SESSION (BEACH)

For Senior High aged campers who want to be a little more adventurous! Campers will have experiences of main camp while also exploring some of the most unique parts of God's creation along the Gulf Coast! Wild carnivorous plant bogs of the Conecuh National Forest, crystal clear springs at Econfina Creek and the white beaches of Gulf Islands National Seashore in Navarre, FL!

What We Do

- Monday campers will stay at our tree house camp down by the lake. There is full plumbing, including showers, and running water. No air-conditioning.
- Tuesday campers and staff will drive to Blue Lake Camp in Andalusia, AL. We will stay in air-conditioned cabins and use it as our base camp for the trip!
- Wednesday campers will spend the day at Econfina Creek, kayaking through crystal clear creeks and springs.
- Thursday afternoon campers will head to Navarre, FL to the beach! We will finish the day watching fireworks at Navarre Fishing Pier.
- Friday campers and staff will drive back to CLS and resume a normal main camp schedule upon their return

Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Does your child have any fears or nervousness around water?
- Is your child okay with cooking their own food (assisted) and sleeping without air conditioning?
