

# MAIN SESSIONS

These age level specific sessions are the heartbeat of camp! Our Elementary, Junior-High, and Senior-High one week sessions are what most people think about, when they imagine an overnight camp. Each week-long session is developed in order to allow campers to challenge themselves in a variety of ways with the help of a supportive community.

## What We Do

- Campers participate in activities through family groups
- Family groups are made up of two cabins made up of campers of the same age level.
- Family groups allow us to develop small communities of support in order to practice our faith and challenge ourselves in new skills and experiences.
- Campers spend their day exploring camp through various activities
- Campers participate in age level worship twice daily and cabin devotions
- On Wednesday nights all campers go with their family group to campsites around camp and cook their own food
- On Friday night all campers participate in a group bonfire program and worship
- As campers grow older they are offered more challenging activities and experiences
- Activities list found at the bottom of: [www.camplakestephens.com/summer](http://www.camplakestephens.com/summer)

## Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Is your child okay with being away from home for 5 full days?
- Is your child comfortable with being challenged, with support, to try new things?
