

LEADERS-IN-TRAINING

These senior high-aged campers will have the opportunity to be at CLS for 3 weeks of the summer! These sessions are meant to go beyond our normal weeklong programming and give campers an opportunity to learn more about leadership, faith development, and community formation at camp.

What We Do

- The first week of this session operates just like a normal week of camp.
- The weekends consist of rest time, church on Sunday, trips into town (bowling, movies, etc), and lots of laundry! They will have access to phones on weekends to keep in touch with family.
- The second week, LIT's are paired with elementary counselors and shadow their family group throughout the week
- The third week consists of more leadership roles (snack shack, meals, orientations) and shadowing of our senior and program staff
- All though we no longer offer a specific "Camp Rainbow" LIT session, campers who successfully complete their LIT session are invited back to return as volunteers during Camp Rainbow!

Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Is your child okay with being away from home for three weeks?
- Is your child comfortable with being in leadership roles and working with younger kids?
- Is your child interested in deepening their faith in a community setting?
