

ELEMENTARY TREEHOUSE

Elementary aged campers who want to be a little more adventurous! This week long camp will have all the usual experiences of main camp while spending nights at Adventure Camp and cooking their own food!

What We Do

- Campers will stay at Adventure Camp down by the lake. There is electricity and full plumbing, including showers, and running water.
- Campers follow a schedule similar to Main Camp
- Campers spend their day exploring camp through various activities
- Campers participate in worship twice daily and cabin devotions
- Campers swim and have Snack Shack with Main Camp elementary campers
- On Friday night all campers participate in a group bonfire program and worship
- Special activities that campers will participate in are: cooking their own meals (adult assisted and supervised), and sleeping at adventure camp (large elevated screened in cabins).

Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Is your child okay with cooking their own food (assisted), no air conditioning, and sleeping in screened in cabins?
- Does your child have any fears or nervousness around water?
